Veto, overriding likely on half-cent sales tax slash

Will there be a half-cent reduction in the state portion of the sales tax (currently four cents for the state and one cent for local government)?

After the Illinois Senate voted 55-2 on Tuesday to cut the sales tax in Downstate counties, the House approved the reduction 107-53 Friday.

Gov. Daniel Walker indicated he probably will veto the bill, but the margin by which it won in both houses of the General Assembly showed it is likely that such a veto would be overridden.

Both tallies exceeded the three-fifths majority required to overturn a veto under the 1970 Illinois Constitution.

The bill fought by the governor was sponsored by House Speaker W. Robert Blair.

Gov. Walker said shortly before the vote that Mayor Richard Daley of Chicago had refused to join him in opposing Blair.

Walker said the state cannot afford the estimated \$166 million tax loss, his own plan for increased state income tax exemptions would cost the state treasury \$100 million in income.

The governor declined to comment directly on whether there will be a veto, noting that "it has not been my policy to threaten vetoes" while legislation is pending.

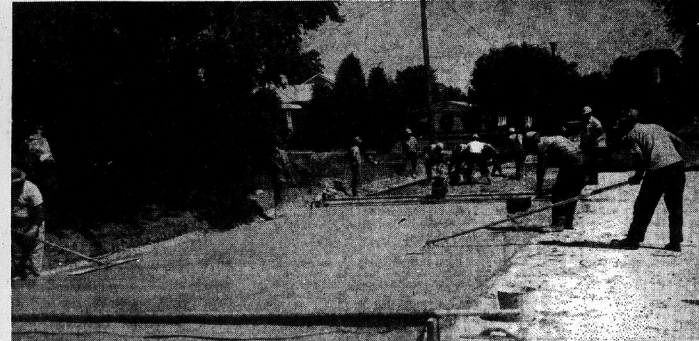

Blair has linked the bill to a plan for a regional mass transit authority in the Chicago area. The authority would be empowered to reimpose the half-cent tax in the six counties served by the transportation system.

Part of the governor's opposition was based on who will obtain credit for tax relief.

Democrats met privately four times during a three-day period last week and twice family.

Blair is a Republican and that party narrowly controls the Assembly.

Discussing his proposed \$100 million tax cut, Gov. Walker said it would amount to \$50 for a family of five earning \$10,000 a year. He said the Blair bill would provide only a \$23 reduction during a three-day period last week and twice family.

NEW PAVING SLAB is finished on the Johnson Road improvement near Lindell Boulevard Friday. Paving of Johnson Road from Franklin Avenue to

Pontoon Road is being done by the G. H. Sternberg & Co. at a bid price of \$367,369 which will be paid by Granite City out of its motor fuel tax fund.

Annexation called only Venice school tax raise alternative

By HARRY BARNES
Press-Record Staff Writer

Annexation of Venice School District 3 to another district may be the only alternative to voter approval of a substantial increase in the Venice district's tax rate for education purposes, school officials admitted today as they appealed for referendum approval of such an increase.

School district voters will go to the polls Saturday to ballot on a proposal to increase the education fund rate by \$1.20 per \$100 assessed valuation. If the proposition carries, the maximum rate for education purposes would be increased from the present \$2.06 to \$3.26 and bring the school district's overall rate to a total of \$4.06.

Such an increase is necessary,

school officials have emphasized, to meet a deficit of \$897,000 in the education fund for the 1972-73 fiscal year which ends Saturday, and to meet increased operational costs.

School board members said that in the event the proposal is defeated in Saturday's election, another election would be called within 60 days. Failing ap-

proved in either election, the district would face virtual bankruptcy within a year, they noted.

"We might squeeze by for a year, but since our tax collections this year would be depleted by payment of tax anticipation warrants and other debts, we would find ourselves in worse financial shape in a year than we are now," Robert Vickers, assistant school superintendent, said.

Saturday's voting will be conducted from noon until 7 p.m. at polls in the Venice Public School, 700 Broadway, and at Eagle Park Acres.

The possibility of annexation to another district if the tax rate referendum fails likely would develop from state action to stabilize the district's financial condition, it was said.

Vickers said none of the administrative officials would welcome such a move. "The school wants to operate the school district, but we must have the revenue to do so," he said.

The district, as the end of the fiscal year approaches, owes

Harris, Blair free-choice schools

By GARY SCHNEIDER
Press-Record Staff Writer

A proposal to eliminate Dunbar School from the Madison School District was approved by the Madison Board of Education Thursday night.

The proposal must yet be approved by the Madison County Circuit Court and by the state before it can be placed in effect.

The board also voted to continue a split-shift schedule at Madison Junior High School next year.

In a resolution changing attendance centers for students, the board voted that all fifth and sixth-grade students should attend Louis Baer School in the 1973-74 year.

Kindergarten through fourth grade students shall be divided between Blair and Harris schools, with the choice of which school each will attend made by the parents or guardians.

The assignment of all other grades is to be made by the same method followed in the previous school year, according to the resolution.

"That no classes shall be taught in the Dunbar School facility during the 1973-74 school year."

The resolution is to be submitted to Circuit Court before Friday, according to the court order. Following a May 14 hearing, the late Judge James O. Monroe ordered the district to prepare a desegregation plan to be approved by the court. The board is appealing the court action.

The plan has drawn criticism from black West Madison parents who held several public meetings on the Dunbar issue, and from a former school board member, Theodos Kemp.

Kemp's resignation was considered by the board Thursday night. Action was withheld because the resignation had not been signed.

He charged the plan to close Dunbar is to avoid busing white students into West Madison. He also said Blair School in North Venice will remain primarily black under the plan.

The plan also drew criticism from the only remaining black board member, Willie Walker, who voted against its adoption Thursday night.

"In my opinion, this is not going to enhance the educational opportunities for all the students in this district. It is going to close a facility—Dunbar—and it is not going to be in the best interests of the students' education," Walker told the board.

"I'd like to see the board reconsider this and adopt another plan," he added.

President James Childers ended the discussion, saying, "I think we have thrashed this thing pretty good. Everyone has his opinion on what he is going to say. Let's vote."

Children and board members Donald Boyer and Chester McManaway voted for adoption and Walker voted against.

Among the medley of numbers by the 35-member chorus will be "Morning Has Broken," "Killing Me Softly With His Song," "Allie" and music from "Man of La Mancha," including "The Impossible Dream," "To Each His Dulcinea," "Little Bird, Little Bird," "Dulcinea" and "Man of La Mancha."

'Music Under the Stars' starts Tuesday at Park

The "Music Under the Stars" summer concert series, sponsored by the Granite City Park District, will inaugurate the 1973 season tomorrow evening at 8 o'clock with "Don Quixote Night."

The public is invited to attend the concert, starting at 8 p.m. Tuesday, in the Wilson Park pavilion. Admission is free and plenty of seating is available, according to Laurence Berry, program director.

Choral numbers will be presented by the high school and adult chorus. Mrs. Kathy French will serve as accompanist.

Featured soloist at the initial concert will be Paul Mabrey, whose repertoire will include "Try to Remember" from "Fantasies" and a song cycle.

"Don Quixote to Dulcinea" by Maurice Ravel, including "Song of Romance," "Epic Song" and "Drinking Song."

Mabrey, a baritone, is choir director at Niedringhaus United Methodist Church. He is a former director of choral music at Granite City High School and presently is completing work towards a master's degree in music at Southern Illinois University at Edwardsville.

Sites are named for 2 scouts

Dr. George T. Wilkins Sr. and Henry D. Karandjoff, both of Granite City, were honored Saturday at Boy Scout Camp Sunnen when each veteran scout leader had a troop campsite named after him.

Camp Sunnen, located near Pocahontas, Mo., is owned and operated by the Canchika Mound Boy Scout Council with offices at 1333a Niedringhaus Ave. The camp is in its 22th year of operation.

The new camps were developed to help serve the increasing number of scouts using the camp. The number this season will exceed 1,200 from Madison and Bond counties, W. F. "Mick" Strang, council camping chairman, said at the ceremony.

Gov. Dan Walker Friday disclosed the terms of a new highway work fair employment agreement between the construction industry and labor unions in Madison and St. Clair Counties.

Gov. Walker said \$96,765,000 worth of highway construction work in the two counties is expected to be completed or contracted for during the next 12 months.

This includes \$60 million of work already awarded but not yet finished and \$33 road construction projects costing \$36,765,000 in the fiscal year 1974.

Gov. Walker said he hoped the agreement would assure both uninterrupted road improvement and construction industry accord in the two counties.

The agreement, effective for two years, beginning this month, will be administered and enforced by a

23-member Administrative Committee, Gov. Walker said.

The committee will consist of 11 union representatives (one from each of the unions which

signed the agreement), 11 construction industry members and a citizen outside the construction industry as chairman.

Interim adult education funds

An eight-point program to save the state's adult education program was outlined Thursday by Gov. Dan Walker and Dr. Michael J. Bakalis, superintendent of public instruction.

The adult education program is threatened by a cutting of federal funds. The program expires June 30 and Congress has not acted on a renewal.

Details of the program are:

1. The governor will allocate \$1,875,000 in state funds for the operation of the adult education centers.

2. If Congress acts to extend the present regulations, \$7.5 million will be spent for the operation of the centers at current levels.

3. If Congress does not act, programs will be carried on to the maximum extent possible, through the use of the \$1,875,000 in state funds and other un-

designated state and federal funds which may be made available.

4. On the assumption that Congress will not act, an intensive program of scheduled summer programs has been conducted so that a decision on their continuation can be made by July 1.

5. Fall programs will be evaluated as swiftly as possible by the Department of Public Aid and the Office of the Superintendent of Public Instruction.

6. Priority will be given to those centers and programs which offer educational services not otherwise available in the community.

7. The governor and the superintendent will work together to place welfare recipients in other programs.

8. Gov. Walker and Supt. Bakalis recognize the importance of the adult programs and will seek solutions to continue the benefits despite the federal cutoffs.

The adult education programs provide public aid recipients with basic secondary school skills in preparation for additional vocational training or direct employment placement.

During fiscal year 1972, there were 1,260 direct employment placements. Assuming an average of 20 years of employment, the job placements mean a savings of \$36 million in public aid payments.

There are currently 23,217 public aid recipients in adult education training at 22 adult education centers. Other adult education programs are offered at another 76 educational institutions throughout the state.

"Congress should take immediate action to renew the programs. We must clear the public aid rolls of people capable of gainful employment and who want to work but who lack the education and skills to find a job," Walker said.

The Venice School Board is to hold a special meeting tonight to consider the fate of the Venice Lincoln Training Center which has been financed with federal funds.

The Lincoln center has approximately 700 persons in training, including pre-school youngsters, and operates on a budget of approximately \$20,000 per year.

DOWNTOWN GRANITE CITY OPEN MONDAY & FRIDAY 'TIL 8:30

Board sought reinstatement of Mank - Elliott

The reinstatement of Louis Mank, former Granite City Police officer, as a member of the police force, was ordered by the Board of Fire and Police Commissioners in 1972 but was averted by a physical examination report which held that such duty might aggravate an injury for which Mank had claimed disability. Ralph Elliott, former chairman of the board, reported last week.

Elliott also noted that the circuit court proceeding which resulted in a decision by the Granite City Council to pay a court judgment and terminate the long-standing litigation over Mank's status as a police officer was separate from that originally initiated in 1969 in which Mank appealed a police board order removing him from office.

The City Council voted to pay a judgment for back salary, fringe benefits and attorney charges that will total \$32,235. The council acted after the Fifth District Appellate Court held that the city had failed to perfect an appeal of the judgment order within the time specified by law. The Appellate Court therefore dismissed the city's notice of appeal.

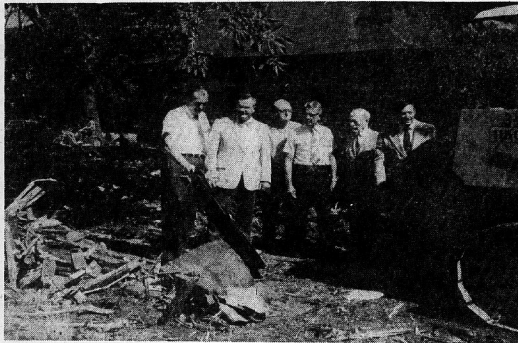

Elliott said a report that the board of commissioners had not acted on an Appellate Court ruling remanding two of the original 13 charges for rehearing by the board was untrue. He said Leon Scroggins, then city attorney, had petitioned the circuit court for a remand of the case, but that no action had been taken in the matter. Mank was removed as a police officer in December 1969. He obtained a circuit court order reversing the board order and ordering his reinstatement. In September 1970, Bank declared himself disabled for duty, Elliott said.

Whether Mank will remain on disability pension will depend upon a decision to be made by the police pension board, city officials said this week.

GC Steel granted new pollution variances

Granite City Steel Co. has been granted extensions of time to complete air pollution control measures, the Illinois Pollution Control Board announced last week.

The extensions are part of the timetable agreed upon between the Illinois Environmental Protection Agency and the steel company April 25, 1972, following public hearings here. Extensions were for 12 months for improvements to the coke ovens and charging operations, expiring April 25, 1974, and for seven and one-half months for improvements to the sinter process main windbox and pul mill, expiring Sept. 15, 1973.

INITIAL HOUSE RAZING under a city program to demolish dilapidated houses and buildings in Granite City was inspected Friday by city officials. The house, in the 2100 block of Bryan Avenue, was torn down by agreement between the property owner and contractor, but the city will recover the cost of hauling away the refuse. Left to right, Robert Kelly, city building inspector; Mayor Paul Schuler, Ernest B. Eli, city inspector; Alderman Claude Green and R. E. Robertson, and Lionel Portell, city street superintendent.

Madison fears loss of junior college choice

Fears that failure to establish a new Quad-City area junior college may allow the state to annex the Madison School District to the East St. Louis Junior College District, were expressed by board members in Madison Thursday night.

Members indicated they would prefer to join a local junior college district, but if efforts in that direction are unsuccessful, they would prefer to join the Belleville Area Junior College District rather than be linked by the state with the East St. Louis college.

Concern was expressed that with the deadline for voluntary annexation to a district set for June 30, it would be too late for Madison to choose and the state would force the district to link with East St. Louis if a Quad-City district proposal were vetoed.

The board agreed to hold a special meeting at 8 p.m. Tuesday to take final action on the issue. Board members requested that the school district attorney, William Kinder, meet with Leo Konzen, attorney for supporters of the new junior college district, to discuss legal guarantees that Madison could join the Belleville Area Junior College district until two weeks after application was made.

"We don't even know when the Belleville board will meet next, and on July 1 we're finished," he said.

Area agencies budget \$542,832 of U. S. funds

Quad-City municipalities have budgeted federal revenue sharing funds totaling \$542,832 allocated for the period of Jan. 1 to June 30, 1973. They include:

City of Granite City, \$281,131; all for public safety; Madison, \$51,833; Venice, \$61,987; Ponton Beach, \$4,372; Granite City Township, \$60,177; Venetian Township, \$38,024; Nameoki Township, \$25,343; and Chouteau Township, \$19,833.

A breakdown of uses by the other agencies follows:

Madison, economic development, \$35,735; public safety, \$1,021; environmental protection, \$2,042; health, \$2,042; and recreation, \$1,021. Venice, public safety, \$6,987; environmental protection, \$17,500; health, \$15,500; recreation, \$2,000; social services for the aged and poor, \$5,000; and environmental conservation, \$12,000.

Ponton Beach, health, \$300; and administration, \$4,172. Granite City Township, \$2,764; bridge transportation, \$19,579. Chouteau Township, township buildings, \$19,833.

20 tickets left for park 'Nanette' trip

Twenty tickets remain for the Granite City Park District's July 3 trip to see "No, No Nanette" at the St. Louis Muny Opera. Harold Brown, park superintendent, said today.

Reservations, costing \$7.25 per person, will be accepted at the Wilson Park office prior to Friday, June 29. An additional \$1.30 is charged for roundtrip transportation by chartered bus.

The musical, which stars Don Ameche, Elyn Keyes and Ann B. Davis, inaugurates the park district's summer opera trip schedule.

THEFT FROM AUTO

Items valued at \$245 were stolen from the auto of Victor Valentine, 39 Mercedia Ave., Venice, while the car was parked at Second Street and Washington Avenue in Madison, Valentine reported at 2:40 a.m. Friday. Taken were a gun, a tape player, floor mats, clothing and food items.

Griffin baby, 2, dies Friday in hospital

David Wayne Griffin, 2, son of Mr. and Mrs. Robert Griffin, 2109 Benton St., died at 11:15 p.m. Friday at Cardinal Glennon Memorial Hospital, St. Louis, where he was a patient four hours.

He was born in Granite City. Besides his parents he is survived by two sisters, Karen Jean and Debra Ann Griffin; two brothers, Ronald Lee and Robert Griffin Jr.; and his maternal grandmother, Mrs. Judith Miller of Granite City.

An obituary notice appears elsewhere in this issue.

\$250,000 suit filed by railroad employee

A suit for \$250,000 has been filed for Percy Runion of Granite City against the Baltimore & Ohio Railroad in Madison County Circuit Court at Edwardsville.

The complaint alleges that on Dec. 15, 1972, Runion was employed as a member of a switching crew in the B&O East St. Louis yards when he fell on snow and ice and was injured. Negligence was charged.

'Junior Olympics' at Wilson Park Tuesday

The "Junior Olympics" program of the Granite City Park District's summer recreational series will take place Tuesday at Diamond No. 8 in Wilson Park.

Unlike previous years, competition between summer playground centers will be divided

into two categories, with larger centers separated from the Helen Bjorkman, director, explained.

Representatives from five playgrounds will compete at 9:30 a.m. Tuesday, including youngsters from McKinley, Logan, Washington and Webster schools and the park district community center.

Children representing Parkview, Marshall, Nameoki, Niedringhaus and Wilson schools will convene at 1 p.m. at the same location, Mrs. Bjorkman said.

Relay, sack and obstacle races, ball throwing for distance, long jump, shuttle race, dashes and hurdles are among the track and field-style activities planned for the children. Coed midday relays for first and second grade pupils also will be part of the day's events, the director advised.

Members of the park district's recreational staff will act as officials in the "Junior Olympics," Mrs. Bjorkman said. Parents and friends are invited to come and watch the youngsters perform, she added.

Madison School Board rehires all personnel

The Madison Board of Education Thursday night voted to retain all of last year's present attendance officers, clerical and secretarial personnel, custodial and maintenance workers and the one security officer who has not resigned.

All rehires are subject to the applicants qualifying to work. All other district personnel to be retained were rehired at previous meetings.

Eldon Rhoads was named to continue as maintenance supervisor for the district. His salary was set at \$11,500.

Resignations were accepted from Mrs. Mary Robinson, first grade teacher at Harris School, and from Mrs. Debra Kutz, a clerk in the board office.

Mrs. Margaret Connelley, director of the gifted program, was named assistant curriculum coordinator for next year in addition to her present duties.

The board agreed to enter into agreements with Madison and Venice to share the salaries of crossing guards for Blair and Louis Baer schools during summer months.

Hiring of a secretary for the superintendent's office was tabled until more interviews are conducted.

John Palfiech, superintendent, was named the district's representative to eight state special education programs and the federal educational programs.

Palfiech reported 715 students are in the summer school program and 430 teachers are involved. An additional 120 students are enrolled in the head start program which employs eight teachers, and about 200 students are in the arts and crafts program.

The city of Venice was given permission to use facilities at Blair School for a recreation program this summer if the use does not conflict with use by the school district.

A proposal to move the Madison County Economic Opportunity Commission's Madison day care center into the Dunbar Annex was rejected by the board as premature since the future of Dunbar had not been finally determined.

A proposal to close Dunbar may be overturned by the courts, it was indicated.

Bids on student school insurance for the 1973-74 school year were tabled for action at a special meeting at 5 p.m. Tuesday.

Mrs. Donna Crook, president of the Concerned Parents and Citizens group of Madison, questioned why hot lunches were being offered to head start and other children on half-day schedules.

Chester McManaway, board member, said the federal government reimburses the district for the lunches. He said he is unsure of the reimbursement formula and if there is any expenses to the district.

Madison teacher to get \$40,000 retroactive pay

Madison teachers Friday will receive extra-large checks from the Board of Education, containing retroactive pay raises covering the entire 1972-73 school year.

Under an agreement approved by the school board Thursday night, retroactive pay for teachers will range from \$20 to \$300, according to years of teaching and type of college degree.

The total pay raises amount to approximately \$40,000.

The board and the American Federation of Teachers Local 703 failed to reach agreement during negotiations in all of last year, but continued to work under the old contract with the stipulation that raises granted later will be retroactive for the entire 1972-73 school year.

Negotiations on a 1973-74 contract have not begun.

The school board accepted a check for \$200 from the Granite City Fuel Co. Labor-Management Torch Club for establishment of a scholarship.

John Palfiech, district superintendent, commented, "I think this is wonderful and I hope they can continue this program."

The board voted to send a letter of gratitude to the club and referred the check to the scholarship committee for a recommendation.

Palfiech was authorized to prepare a check for the scholarship committee for a recommendation.

Television interviews set Thursday at SIUE

A television camera crew from the Office of the State Superintendent of Public Instruction will visit the campus of Southern Illinois University at Edwardsville on Thursday for interviews with R. Buckminster Fuller, university professor and internationally renowned architect, and Katherine Dunham, director of the SIUE Performing Arts Training Center, who also holds the rank of university professor.

Harold W. Bradley Jr., assistant program coordinator for the OSPI project, said the instructional television section of the OSPI's media services is developing a series of six 20-minute color video tapes for presentation in public schools, particularly at the junior high school level.

The objectives of the series, according to Bradley, are to provide insight into human behavior; to help the viewers to better understand and appreciate cultural pluralism; to help citizens to live more harmoniously by increasing their sensitivity to and their appreciation of the multiplicity of ethnic similarities and differences; and to help facilitate more human understanding between people of different backgrounds.

Fuller, who is expected to arrive in Edwardsville on Thursday, said he hopes to have input into the series from many persons who will speak on a broad spectrum of subjects. "We're not just interested in celebrities. We want representative people from all areas of the state. Specifically we hope to have a lot of student input," Bradley said.

Local arrangements for the interviews at the SIUE campus are being made by John H. Flamer, assistant to the president.

Six indicted in area crimes

Six persons were charged with crimes in the Quad-City area as the Madison County Grand Jury returned six indictments Thursday afternoon at Edwardsville. They are:

John Carroll Edwards, 18, of Edwardsville, charged with charged with murder in the fatal shooting of Tommie Lee Williams, 27, of Venice, on June 11, in front of a liquor store on Weaver Street. He was held on \$25,000 bail.

James Edwards, 327 (rear) Weaver St., Venice, charged with burglary and arson at the Rockwell Gardens at Arcola.

Earlier, five of the counts, Beth Smith, Susan Thomas, Rhonda Crouch, Marti Caudron, and Carol Ann Kistner, were honored for perfect attendance at the regular meetings. Mrs. Skippy Kistner, 8 Nightingale St., Venice, and the troop, sponsored by the DAV auxiliary.

Making the trip to Amish Village were the scouts previously named, Mr. and Mrs. James Kidman and John Billy, Janet Nunez, Jackie Thomas, and Nancy Smith. The all-day trip included tours of the rock gardens, the village bakery, the lively stable, and the blacksmith shop where Mrs. Kidman, charged with robbing a truck driver, of \$400 on May 19 in Madison. They were held on \$25,000 bail.

Donald Gallia, Rural Route 1, charged with rape of a girl in an unincorporated area of the county. He was held on \$15,000 bail.

Claude Shelby of Brooklyn, charged with rape. He is at liberty on \$15,000 recognizance bond.

In other criminal action, two persons were sentenced to one to three-year terms at Menard State Penitentiary and another was fined two years probation following a conviction of a charge of burglary of the office of Dale Hyatt and the Holloway Sporting Goods Store in Granite City on Feb. 6.

They are Wavie Shumate, 18, and Robert Shumate, 24, both of 2467 Alton Ave., Madison, who were ordered confined, and William Middendorf, 18, of St. Louis, who received probation.

Take sun in moderation, health spokesmen advise

Copley News Service

Springfield—Today's glowing sun is tomorrow's crop of liver spots, warns the Illinois Department of Public Health.

Noting the advent of the "let's get it in the sun all day" season, the weekly report of the department's division of disease control warns that "sun is fun, but like everything else, it should be taken in moderation."

The report recommends an initial exposure of not more than 30 minutes, even for dark brunette individuals, and suggests that fair-skinned persons probably should curtail their initial exposure to the sun to 15 minutes. In this part of the world, the hours before 10 a.m. and after 4 p.m. are much less likely to cause sunburn because the "burn" producing wave of ultraviolet rays is at a low level.

A definite aging of the skin is a side effect of long exposure to achieve the glowing tan so quickly sought by today's "in" fashions, the report warns.

"A more dangerous result of many years of overexposure is the formation of precancerous keratotic (horny) lesions on the skin," the report continues.

"As one group of dermatologists wrote, 'The sun is a definitely "in" but, the smooth, heavily tanned skin of the teens and twenties will be the dry, wrinkled and wrinkled skin of the forties, when liver spots, crow's feet and keratosis prematurely appear.'"

For those who take the warning seriously, many effective sun screen preparations are available, the report notes, but adds that care must be taken to use the sun screen properly, away by bathing or perspiration. The report goes on to note that the cure of the ecologists, a smoky or smog-filled "sphere," can be a sort of blessing for the sunbather since the smoke and smog filters out most of the sunburn producing rays, depending on density, and notes that ordinary window glass also filters out all of the sunburn-producing rays.

A light cloud overcast, however, can be dangerous, because these rays, and many severe sunburns are the result of warming being filtered out of the sun on such days. Sand, water and white surfaces also reflect the sun's rays and magnify their effect, while certain drugs such as sulfa and tetracyclines also increase the skin's sensitivity to sunlight, the report warns.

For those who fail to heed the warning, the Illinois Department of Public Health Department bulletin has a word of advice for the sunbather: "If you are exposed until the skin reaction subsides, use a soothing emollient cream, ointment or lotion, and in the case of a more severe burn, obtain prompt medical aid."

Ar. O. Smith plans new plant in DeKalb Ill.

Officials of A. O. Smith Corporation have announced that one of the company's major subsidiaries will construct a new 350,000 square foot factory in DeKalb County, Ill.

L. B. Smith, chairman and chief executive officer of A. O. Smith, and J. H. Brimner, president of A. O. Smith Harvesting Products, Inc., made the announcement at a luncheon for DeKalb community leaders.

Harvesting Products will construct the facility on a 75-acre tract on Route 162, south of the center of town. Construction will begin this summer with the plant scheduled to open in 1975.

The plant will serve as the main manufacturing facility for Harvesting Products units. More than 40,000 of these glass-fused-to-steel, oxygen-limiting farm storage and grain storage units are in use on dairy cattle and hog operations throughout the U. S., Canada, Europe, Japan and Australia.

The plant will initially employ about 250 persons.

Edward J. Boies, 38, has been named works manager of the new plant.

Boies said Boies will supervise all aspects of the multi-million dollar plant.

It is a tribute to everyone concerned that these bills got through committee without significant amendment, particularly as to dollar amount."

Passenger in mishap
loses two drivers
A suit seeking \$25,000 in each of two counts has been filed for Mrs. Mary Selph against Glenn Warren and John Choate in Madison County Circuit Court at Edwardsville.

The complaint alleges that on June 19, 1972, Mrs. Selph was injured when she was a passenger in an auto driven by John Choate which collided with an auto driven by Choate on Route 111 at Sand Prairie Lane. Negligence was charged against the drivers.

Senate OK's SIU appropriations

"Decent support for the operation of Southern Illinois University" was the way Sen. Sam M. Vandalabene described Senate Bill 503, which passed by the entire Senate Thursday.

"Senate Bill 503 appropriates \$101,712,718 for the ordinary and contingent expenses of the Board of Trustees of SIU for Fiscal 1974," Vandalabene pointed out.

The bill also provides for permanent improvements.

"In raw dollars amounts, that is, the amount of money, however, considering the needs of the area served and the tremendous economic benefits the two universities bring about, this is an investment the state must make."

"Furthermore, these allocations have been given the most careful scrutiny in committee. They have been pared to the marrow of the bone. It is hard to see how the Board of Trustees could successfully meet the responsibilities on any lesser amount."

"The size of the vote on these measures, 47-0, is a good indication of the will of the Senate in the matter of support for these prime educational assets to the state," Vandalabene concluded.

It is a tribute to everyone concerned that these bills got through committee without significant amendment, particularly as to dollar amount."

Soccer film featured at Optimist luncheon

Bradley Pele, acclaimed to be the world's greatest soccer player and the world's richest athlete, was featured in a film on the Brazilian Cup Soccer Matches shown to the Granite City Optimist Club at its Thursday luncheon.

The film was supplied by the St. Louis Stars professional soccer team, and was presented by Kent Dunn, physical director of the YMCA. David Fox, club vice-president, conducted the program.

A new member, George Valicoff, was welcomed into the club. About 28 members attended.

Save Your Money At Home

The spark that keeps business good in any town are the dollars that financial institutions have available for loans. Take our Association, for example.

Because our people believe in thrift and entrust their money to our care we have funds to lend for buying, building or improving a home. This in turn gives employment to carpenters, electricians, plumbers . . . everyone associated with the building trades. But when people save in distant cities, this money is unavailable locally which causes our economy to slump . . . slow down.

Be loyal to your home town. Help keep our community a better place in which to live and do business by saving your money at home.

PICK OFF TRY fails as Dave Bennett, 8, slides back to first base like a real pro in a Salty Parker league game at Wilson Park. Bennett's team, GC Plumbing, lost to Mercer 9-1. Mercer first baseman Danny Harris (No. 8) waits for the ball from Martie Whit, the pitcher, who had four hits during the game. There are 63 boys' teams in the GC Park baseball program, with 378 boys participating.

Kiwanis boat races set July 15 at lake

Alcohol and nitro-powered hydroplanes will again make their appearance on Horseshoe Lake near Granite City on July 15 for the annual Kiwanis boat races.

Plans for the big races occupied the club's business meeting Monday at Charlie's Restaurant.

Kiwanis members heading special committees are Bill Seibold, program; Wilhelm Verschuy, tickets; Herb Shannon and Mike Tondas, food; and Roy Fedder, parking.

Tickets are on sale at \$1 each and may be obtained from any Kiwanis member or from Al

Jesse at the American National Bank.

To help the new Breakfast Club, the profits from the event will be shared. It is the first major project for the new club.

Speeds exceeding 100 miles per hour are expected from the special "designed for racing" craft, with the first of 20 heats scheduled to begin at 1 p.m.

Drivers from seven states are entered and numerous local racers also will compete.

Local entries include Tim Seibold, St. Louis, Class M; Paul Bogesian, Granite City, Class C, C-Service, and D; Tim Chance, St. Louis, Class A, C, and D; John Dorch Sr. and

John Dorch Jr., St. Louis, Class A and B; Ernie LaRose, St. Louis, Class C-Service; Kerry Dupre, St. Louis, Class C; Terry Chance, St. Louis, Class M.

The races are sanctioned by the American Power Boat Association, the World's largest boat racing organization, and presented by Outboard Central Professional Racing Association.

Mercer drops a pair in Inter-City action

The Mercer Inter-City Baseball League squad had a tough week, dropping games to Troy here, and the East Alton Vans there. In both games, Mercer was able to get men on base, but had difficulty bring them home.

In a Thursday night game Mercer was defeated by Troy 17-2 at Wilson Park.

Mercer collected 12 hits while committing four errors and Troy gathered 15 hits while committing three errors. "We had a lot of hits but couldn't score any runs," Wendell Corey, Mercer manager, said.

Leading batters for Mercer were Don Harris, 4-for-5; Bill Campbell, 3-for-4; and Randy Sturdivant, 2-for-4.

Corey used three pitchers in the game: starter Vic Reznack who was relieved in the fifth inning by Pat Harris who was relieved in the eighth inning by Larry Corey. The winning pitcher was Bennett who went all nine innings for Troy and the losing pitcher was Reznack.

Mercer's only runs came in the sixth inning when Bill Campbell led off with a single, Dave Huddleston tripled, scoring Campbell, and Randy Sturdivant singled, scoring Huddleston.

Troy picked up seven runs in the fifth inning, four runs in the sixth, one in the seventh

and five in the eighth.

In the only Saturday game, the Vans downed host Roxana 12 to 6.

The Vans collected nine runs on 13 hits Sunday while committing one error. Mercer could manage only six runs from its 12 hits and also had an error.

Pitcher Mark Boone started for Mercer and was relieved in the fourth inning by Victor Reznack, the eventual losing pitcher. Bob Kasten hurled all the way for the Vans to take the win.

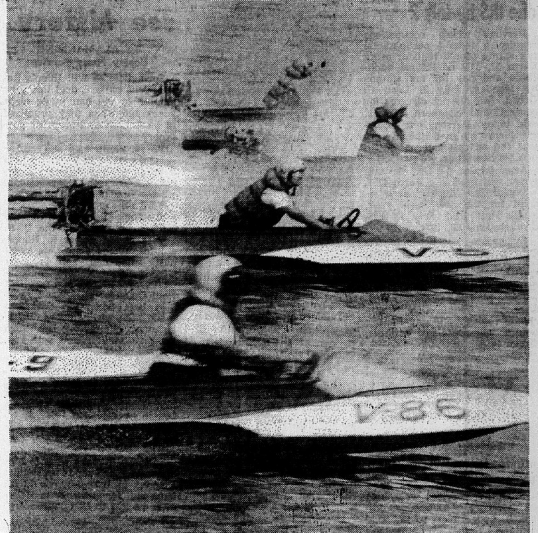

The East Alton team moved to a strong lead in the fourth inning with five runs. Mercer earned its first run in that inning.

The fifth inning gave Mercer three runs while the Vans held their five. In the sixth, Larry Corey hit a two run home run for Mercer to end the team's scoring.

The Vans matched the Mercer effort with their own pair of hits. They topped off the victory with two more in the eighth to close the scoring.

Mercer's Pat Harris was 2-for-4 and drove in three runs during the game.

In other Sunday action Mollitor downed Glen Carbon 12-5 and Troy blanked Piasa 2-0. St. Mary's Boosters had an open date.

KIWANIS BOAT RACES scheduled July 15 on Horseshoe Lake will include boats of the type pictured above which reach speeds exceeding 100 miles per hour. The hydroplanes are powered by alcohol and nitro fuels. Tickets are \$1 and may be purchased from any member of the two local Kiwanis Clubs.

GC Legion wins 1 of 3 tilts in weekend, Post 307 loses

Nine hits were insufficient to produce a run as the Granite City American Legion baseball team was blanked by Cahokia 3-0 in a league game Saturday while Venice-Madison was downed by Alton Friday.

In non-league play, Granite City split a double header with Quincy yesterday on the road, dropping the opener 9-5 and taking the nightcap 6-1.

John Stanton went the distance on the mound for Granite City in the Cahokia game, giving up eight hits. He also had two safeties and walked once. Randy Sturdivant also had two hits, while Ken Burns, Jack Scarborough and Greg Linhart doubled.

Cahokia scored once in the third inning and twice in the fifth. The loss left the local team with a 5-4 league mark.

Quincy scored five runs in the last of the seventh inning to win yesterday's opener after Granite City had taken a 5-4 lead with four runs in the top of the frame.

Cary Simpson started on the mound and was relieved by Mike Stanton after Quincy gathered four markers in the third inning. The local team collected 10 hits and committed three errors while Quincy totaled 18 hits and had two errors.

Steve Ashby hurled a three-hitter to win the second game in a breeze. Ken Burns shared mound duties later in the game. He was given an immediate cushion as Granite City scored twice in each of the first and second innings and once in the fourth and fifth. The winners totaled eight hits, with three coming off of Scarborough's bat, including a double, and two by Mike Stanton.

Granite City will play at 8 p.m. today at Carlyle, will host Belleville at 6 p.m. Wednesday and will play at Collinsville at 6 p.m. Thursday.

Friday night's action saw the Venice-Madison Post 307 squad defeated by Alton 13-1 in Lee Park. Eleven of the Alton runs scored, however, were unearned.

Venice-Madison had four hits and eight errors while Alton

Science helps angler Lesko win bass fishing contest

Bass do not have a chance against modern science, as was proved last week by Andy Lesko of Granite City who, using an oxygen meter, won the Illinois Bass Anglers Association contest at Rend Lake.

Lesko, fishing with Garcia 5500 C bait casting equipment, and the oxygen meter caught 20 bass, keeping the six largest.

According to Lesko it was the oxygen meter that did the trick because the man assigned to fish with him in the boat won second-place honors.

The meter measures the amount of oxygen at a specific depth and the line is set accordingly. The meter cost \$150 which almost paid for itself as Lesko, besides a trophy, was awarded a \$125 cash prize.

Effittoff 2nd in Alton softball tournament set

Jim Effittoff placed second in the 12 and under singles at the MacLair Tennis Association tournament held in Alton this weekend on the SIU Daniel School courts.

He defeated Jeff Calvin of Alton 9-7 and 6-2 in the semifinals to move into the finals play against Tim Willard of Lebanon. It was the second time young Willard, who is seeded first in the 12 and under, has held Effittoff down to a 6-4 and 6-2 loss.

The association schedule calls for three more tournaments this season in Moneysville, Wood River and again in Edwardsville for a regional invitational meet. Residents of Madison, Monroe, St. Clair and Washington Counties who are 18 and under are eligible to participate.

Effittoff is the son of Mr. and Mrs. Vasil Effittoff, 2800 Michigan Ave. He is playing in two youth tennis league circuits this season: the MacLair and the Metro-East Tennis Association, 2113, Box 531, Alton, Ill. 62002.

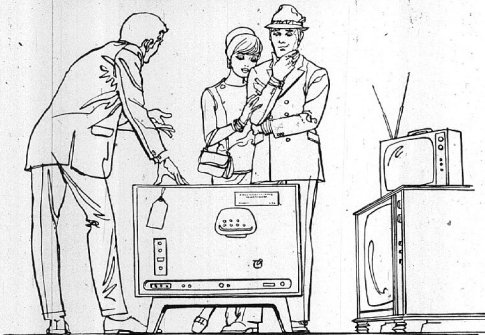

Registration for the double elimination tournament is limited to 24 teams with the entry fee of \$40 due at 10 a.m. Saturday, June 30, at the A-1 Realty office, 531 Ridge Ave.

Trophies will be presented to first, second and third-place teams and to the team with the most home runs. Monetary awards also will be presented to all teams in the tournament; \$250 being paid for every game a team wins, \$5 for every game a team wins, and an additional \$4 being paid for a trophy won by a team.

Granite City teams already entered now are Jacobsmeyers and Victory Tavern.

Entries and more information may be obtained by contacting this season: the MacLair and the John Jay Dick, manager, 4622 Metro-East Tennis Association, 2113, Box 531, Alton, Ill. 62002.

NEW WORLD RECORD set here by Louis Lessard of Canada as he jumped a stock car from ramp to ramp covering 117 feet in the air during Friday night's program at the Tri-City Speedway. Lessard was substituting for Ken "the Mad Canadian" Carter who was ill. Lessard's jump broke the old record of 102 feet, 11 inches, held by Carter.

New world auto jump record set at track

A new world record for an auto ramp-to-ramp jump was set Friday night at Tri-City Speedway as Louis Lessard of Canada leaped a stock 1961 Plymouth over two end-to-end ramps and landed 117 feet from where he became airborne.

Lessard was substituting for Ken "the Mad Canadian" Carter, who was ill with flu. Lessard's jump here broke the former record held by Carter of 102 feet, 11 inches.

The event had to be started three times due to crashes in the first laps. The yellow caution flag had to be used twice before the race got underway because of crashes.

Water safety program in Madison Wednesday

A water safety program, open to the public, will be presented at 7:30 p.m. Wednesday at the Madison Recreation Center, Seventh and Lee streets, Madison.

The program will be presented by members of the U.S. Coast Guard as a public service by Explorer Post 104, sponsored by the Madison Police department and Lions Club.

The film "Drowning is Forever" will be shown and those attending will receive a certificate of participation from the Coast Guard.

"This program will be of value to every age group that ever goes near water to swim, boat, fish or water ski, and could save a friend or a loved one's life. That is why I want to urge people to attend," Madison Mayor Mike Sasyk said.

Mennerick girl, 13, competes in meet
Rita Mennerick, 13, daughter of Mr. and Mrs. Reg Mennerick, 2325 Clark Ave., returned last week from the Illinois Bowling Proprietors' Association state tournament in Moline where she finished eighth in juvenile prep competition against a field of 17 top young bowlers.

The competition started with 4,300 youthful bowlers in the state and was narrowed down through local, district and regional tournaments to 100 bowlers at Moline.

Rita won the regional singles two weeks ago in Collinsville which qualified her for the state tournament. She was the only local bowler there.
With her handicap, Rita's three-game total was 490 pins, 23 behind the first-place score, at Moline.

Easter Seal Day Camp session is underway

The Easter Seal Society Day Camp, for physically handicapped children, ages 3 through 10, is being held on the campus of the Lewis and Clark Community College in Godfrey. The camp session will end Friday.

The Junior Service League of Alton sponsors the Day Camp. Mrs. Edward Correll and Mrs. Stephen Hager are Junior Service League camp coordinators.

The Day Camp opened June 18. Forty-six physically handicapped children of the Alton area, Quad-City area, Collinsville, Edwardsville and Belleville-East St. Louis areas are attending the camp. Teen counselors from these areas help with the care of the children.

The Alton public school system lends its Speech Mobile so that the children have an accelerated speech program during their stay at camp. Miss Carolyn Jones is speech clinic director.

Camp director this year is Mrs. Mart Fogle, who has taught in the Easter Seal preschool for the past two years.

Members of Alton Children's Theatre arranged creative dramatics and Mrs. Jack Barban is in charge.

The auxiliaries of Alton and Granite City arranged for the lunches as camp. Church groups and ladies of the Moose help provide the food.

Peggy Homyer marries James Ray Whitsell

Miss Peggy Ann Homyer became the bride of James Ray Whitsell on June 16 in a morning ceremony performed at the Trinity Park Tabernacle by the Rev. C. L. Gruver of Alton.

The church sanctuary was decorated with "bouquets of early summer blossoms and greenery. Musical selections played by the church organist included "Twelfth of Never," "Hawaiian Wedding Song," "More" and "We've Only Just Begun."

Parents of the bride are Ronald L. Homyer, 2241 Benton St., and Mrs. Nora J. Homyer, 2605 Pontoon Road. The groom is a son of Mr. and Mrs. Elmon Whitsell, 2311 W. 24th St.

The former Miss Homyer wore a floor-length gown of organza and re-embroidered lace designed with a molded bodice, a high neckline and long sleeves with wide fitted cuffs.

Delicate embroidered lace formed a panel on the bodice and extended down the skirt to the hemline.

Her fingertip veil was edged with a tiny band of lace and secured by a fitted headpiece of matching lace. She held a plateau basket filled with white and orange daisies, pom poms and baby breath.

Miss Patty Drew, maid of honor, was gown in a formal-length dress of dotted swiss made with puffed sleeves. Her bouquet was an arrangement of pastel yellow carnations and orange daisies.

The groom chose William Gibson as his best man. He is a 1973 graduate of Granite City High School, the bride is employed at The Richmar Co. in St. Louis.

Mr. Whitsell was graduated in 1968 from Granite City High School and is employed as a designer draftsman at B-Line Systems in Highland.

State EPA surveying water control needs

In an effort to assure that Illinois communities will receive their fair share of future federal water pollution control funds, the Illinois Environmental Protection Agency is conducting local officials around the state to survey current and future water pollution control needs.

The state-wide effort is part of a national survey developed by the U. S. Environmental Protection Agency, according to Jack M. Marco, acting director of the Illinois EPA.

Some 675 communities representing about 80% of Illinois residents are being surveyed, Marco said. The Illinois portion of the survey must be completed by July 20, and to assume timely completion, Marco said, nearly all members of the state EPA's water pollution surveillance staff are working on the project.

The survey will be used to determine how federal water pollution control funds will be

distributed to the states in fiscal years 1975 and 1976.

The 32-page survey will focus on specific problems such as health hazards, ground water infiltration, treatment systems and collection systems.

"Because of the detailed questions required by the survey, we estimate it will take our staff about two days to complete the necessary work for each participating community," Marco said. He continued:

"We are asking local officials to cooperate with us on this important survey. With their cooperation, we hope to be able to help all Illinois communities qualify for their fair portion of future federal grant dollars."

"To help our communities qualify for a larger portion of federal grant monies, we at the Illinois EPA are giving this survey our highest priority."

"We hope local officials and their technical staffs will agree with us on the importance of

Breakfast Kiwanis plan charter dinner

Plans were discussed by the Breakfast Kiwanis Club last week for a charter night dinner meeting and participation in the annual boat races to be sponsored this year by both Kiwanis Clubs.

Norman Kinder, vice-president, presided at the meeting held at Tempel's smorgasbord, and announced there will be an expected 250 persons, including Kiwanians and their wives, attending the newly-formed club's charter night July 9 at Charlie's Restaurant.

Those named to head committees for the special event are Thomas Layloff, chairman; Bernard Miller, tickets; Norman Hall, houseman; and William Herman, publicity.

Thomas Layloff also was appointed to serve as chairman for the boat races on July 15 at Horseshoe Lake, specifically to recruit workers for the all-day project. Robert Harris will serve as ticket chairman.

Kiwanis Lieutenant Governor Louis Enlow of Edwardsville provided the program for the morning with a film strip entitled, "The Man Who Wears The K." The film illustrated the activities of Kiwanis in communities throughout the country and emphasized their motto, "Rebuild."

Guests attending other than the guest speaker were Homer Runge, Cecil South, Hays Malory and Richard Coleman all of Edwardsville.

Campaign fund issues plague Walker, Nixon

By AL MANNING
Copley News Service

Springfield — Is it fair to call Gov. Daniel Walker's present predicament his Walkergate? Walker is not facing as extreme circumstances as is President Nixon, but there are certain similarities between the Anthony Angelos case and Mr. Nixon's Watergate scandal.

The public's confidence in their public officials has been damaged by both Nixon campaigns on a law and order theme while his chief law enforcement officer and other top appointees plot a burglary. Walker campaigns on a theme that he is above politics, and then fires Lawrence Johnson as liquor control commissioner in a political move.

Campaign financing is at the root of the problem in both. The Nixon committee had hundreds of thousands of dollars lying around which could be used to finance dirty tricks and their coverup.

Angelos contributed \$50,000 to Walker's campaign despite the ban stemming from his liquor holdings. He subsequently withdrew as the nominee for the position of state insurance director.

In both cases, the legislative branch of government is investigating the executive branch. U. S. Sen. Sam Ervin's committee is in full swing. State Rep. Phil Collins' committee is about to convene.

Resignations of key government employees are a factor in both. President Nixon's staff commission would seem to be on jeopardy, since Johnson accused him of impeding the Angelos investigation.

And a lot of politicians would like to see Vic DeGrazia forced out as deputy to the governor (Walker's "Halderman"); his role in ordering an apparent phony voucher to be signed for a friend might be an excuse to try to get him dumped.

Criminal indictments are possible in both. At the federal level, the burglars have already been sentenced, with other indictments occurring and expected. At the state level, Angelos' campaign contributions are under investigation.

Johnson, a former Champaign County state's attorney, says he would rather prosecute Angelos than defend him, but adds that everyone is presumed innocent until proven guilty.

Law enforcement agencies were called to protect records in both cases. The Federal Bureau of Investigation was ordered to guard the office files of ousted Chief of Staff H. R. "Bob" Haldeman. The Illinois Bureau of Investigation was requested to protect the Angelos file.

And, a person by the name of John Mitchell figures in both. At the national level, he is a household word. At the state level, he is an agent hired by DeGrazia's men who, Johnson tried to fire.

The "Walkergate" also has its unanswered questions. Are other state departments free of DeGrazia's political intrusion? And if the administration is telling the truth when they say Johnson is a "flat out liar" who would not follow the governor's orders, why would they offer him two other jobs?

FALSE ALARM last week at the Fun & Sun Beach Resort on West Chain of Rocks Road after a report of a child drowning. The Long Lake Volunteer Rescue Squad dragged the water with boats and sent divers down to search for the child. The search lasted two hours until it was determined there was no drowning. Divers shown here confer with lifeguards, are Dennis Foret, second from left, and Charles Polley, second from right.

unprecedented in history. Walker's loss differs thus far in that it was not public pressure which brought about Johnson's departure, but rather his own staff which fired the chairman. However, Tom Murphy's job as executive director of the both, President Nixon's staff commission would seem to be on jeopardy, since Johnson ac-

cused him of impeding the Angelos investigation. And a lot of politicians would like to see Vic DeGrazia forced out as deputy to the governor (Walker's "Halderman"); his role in ordering an apparent phony voucher to be signed for a friend might be an excuse to try to get him dumped.

Criminal indictments are possible in both. At the federal level, the burglars have already been sentenced, with other indictments occurring and expected. At the state level, Angelos' campaign contributions are under investigation.

Marriage vow renewal offered at shrine Mass

An invitation to renew marriage vows is being extended to couples celebrating their 30th, 40th and 50th anniversaries this year by the Shrine of Our Lady of the Snows.

A special Family Night Mass will be celebrated July 8 at the outdoor amphitheater altar starting at 8 p.m., according to an announcement by Father William Westman, O.M.I., shrine director.

"We would appreciate couples observing these anniversaries sending their names and addresses to their pastor as soon as possible. Persons living outside the Belleville Diocese are also urged to participate," says Father Westman. "These couples can send information directly to him at 15 S. 39th Street, Belleville, 62223."

All jubilee couples attending the evening of July 8 will receive marriage vows renewed and receive an engraved scroll in commemoration of the event from Bishop Albert R. Zurovsky. Deadline for registration is July 15 as the time must be allowed to prepare the personal citations.

The Marriage Jubilee was inaugurated during last year's Novena with 198 couples participating. With that response it was decided to make the Marriage Jubilee an annual event during the Shrine Novena Week which starts on July 28, he said.

Local CAP unit takes part in exercises

The Granite City Squadron of Civil Air Patrol Group 19 recently participated in a SAR-CAP (Search and rescue, Civil Air Patrol) in conjunction with Group 12 at Williamson County Airport near Marion.

Capt. Edward L. Edwards, commander of the Granite City squadron and partner in the Commercial Office Products Co. in Granite City, assisted as director of land-search and rescue operations. The simulated "crash" must first be located from the air, and then the ground crews are dispatched to the site to assist the injured and guard the plane from looters.

These missions are conducted to test the efficiency of personnel and equipment in the event of an actual aircraft crash or emergency.

Civil Air Patrol is comprised of men and women who donate not only their time, talent and effort but assume their own expenses to make CAP work.

Nameoki revenue sharing public hearing tonight

A public hearing is to be held at 7 p.m. today in the Nameoki Town Hall on proposed revisions to the town and road and bridge budgets, adding appropriations for the spending of an estimated \$93,000 in federal revenue sharing funds. Proposed uses include environmental cleanup, expansion of the town hall, payment for a State Park bridge, a park and a larger holding pound for dogs and cats.

Chouteau hearing held

A special town meeting of Chouteau Township residents was held last week and none is scheduled tomorrow. An article in Thursday's issue was in error. At last week's meeting, the electors voted to transfer \$10,000 from the township's general assistance fund to the road and bridge fund.

Building permit for shop center is issued here

Contractor Henry Ross has obtained a building permit to construct a shopping center in the 3700 block of Nameoki Road at a cost of \$150,000. Construction is under way.

It was one of 14 building permits issued in a week for new construction in Granite City listing values totaling \$163,071. So far this month, 37 permits have been issued with values totaling \$219,818.

The shopping center, on which construction has been started, will house eight stores and offices of 1,200 to 2,000 square feet, Ross said. The project is expected to be completed and ready for occupancy in late September.

The structure will be adjacent to the new Schmuck's Car's building and located north of and parallel to Tri-Mor Bowl.

A permit to raze a building at 1930 Edison Ave. was obtained by the First Granite City National Bank which plans to expand its drive-in facilities and rearrange its parking lot. Demolition cost was listed at \$3,650.

Granite City Steel Co. obtained a permit to demolish a gasoline station and a coffee mill at 2000 Iowa St., and 1533 E. 20th St. at a cost of \$3,000.

Others obtaining permits were:

Lacy Randolph, 2805 Adams St., erect a garage, \$2,000; Harry Mitchell, 2709 Iowa St., remodel garage, \$500; Marshall Hare, install aluminum siding at 2330 Iowa St., \$1,400; and steel siding at 2538 Edwards St., \$2,400.

Pat McGee, 2715 Harding Blvd., repair porch, \$100; Ron Coleman, 2445 Woodlawn Ave., install guttering, \$80; William Morris, 2782 Washington Ave., install aluminum siding, \$1,500; James Moss, 2012 Twelfth St., replace siding, \$700.

Walter Phillips, 3212 Wayne Ave., box-in carport, \$400; Ola Buckingham, 1776 Marshall Ave., repair roof, \$200; Nelson Dunlap, 2200 State St., install asbestos siding, \$3,500; Earl Tucker, 2826 Denver St., erect a fence, \$300; and Clifford Mang, 2380 Edison Ave., erect a fence, \$10.

Ron Ireland, 2876 Madison Ave., received a permit to raze a garage at a cost of \$100.

Ridge to graduate

Michael Ridge of Granite City is one of 46 students who will graduate from the St. Louis Municipal School of Nursing in exercises to be held Friday afternoon in the Kiel Opera House.

Bicentennial design selected in contest

Robin Neumann, 18, of Waukegan, was selected as the winner of the 1973 Illinois American Revolution Bicentennial medallion design competition.

She was presented a \$1,500 scholarship by Gov. Dan Walker in ceremonies in Springfield. Participating in the ceremony was State Sen. Sam Vadalabene, vice-chairman of the Bicentennial commission which conducted the contest.

Her entry was chosen from hundreds submitted by high school students across the state and will appear on the official medallion to be released by the Lincoln Mint of Chicago on Aug. 6. Similar contests will be held through 1976.

Sterling silver and bronze versions of the medallion will sell for \$12.25 and \$3.50 respectively. They will be available through participating banks, savings and loan institutions, utility companies, selected retail outlets and service and fraternal organizations.

Venice School Board plans meet tonight

The Venice Board of Education will meet in special session at 7:30 p.m. today to discuss the fate of the Venice-Lincoln Technical Center in Venice, which may be closed unless a means of funding is discovered.

About 700 adults and pre-school children attend classes at the center each year and 30 teaching, custodial and administrative jobs would be eliminated if the center is closed. State and federal officials announced in a statement that the program under which the center is funded has been discontinued.

Alternate means of raising the approximately \$420,000 the center needs annually to operate must be found if the center is to remain open, school officials have said.

Open bids tomorrow for Dobby drainage

State officials will open sealed bids tomorrow for construction of an interim drainage line to relieve Dobby Slough flooding.

Murray Pipkin, chief of the bureau of engineering of the Department of Transportation, said that the department began receiving bids June 19 for tomorrow's opening. He added a contract for the construction must be awarded this week to be funded in this fiscal year. The state's fiscal year ends Saturday.

The proposed drainage line will be constructed by the state from the slough southerly to Pontoon Road and along the north side of Pontoon Road to an existing city storm water sewer near Pontoon Road and Stearns Avenue.

The water will flow in Granite City sewers to Wabash and Amos avenues where a pumping station will force the water through a new and an old sewer line into Nameoki Ditch. Another pumping station will be located at the slough where the line begins.

Mayors to hear talk on area problems

The regular June meeting of the Southwestern Illinois Conference of Mayors will be held Wednesday night at Michael's Restaurant, 415 Broadway, Highland. A social hour will begin at 6 p.m., and dinner will be served at 7 p.m.

A representative of the East-West Gateway Coordinating Council will speak on problems of this region and what may be done to resolve them.

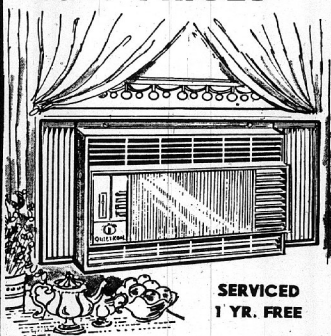

The interim drainage line is to provide temporary relief from the high water table in the Dobby area until a proposed \$4 million drainage program can be completed, providing permanent drainage. That program may be several years away, state officials have

STUNNING CREATIONS, designed to make the fall and winter bride even lovelier, will be displayed by Marilyn's House of Fashion at a bridal show for engaged girls at 8 p.m. Wednesday at Tempel's Smorgasbord on Johnson Road. Preparing for the event are Mrs. Pam Kent, modeling a bridal gown, and Miss Candille Bischof in a bridesmaid's frock, assisted by Mrs. Joanna Spencer, left, and Mrs. Ruth Bischof, Welcome Wagon hostesses, who are sponsoring the show. Reservations will be accepted at 876-5821.

Engaged girls to preview fall creations

Bridal fashions for the fall and winter season will highlight a party for engaged girls at 8 o'clock Wednesday evening at Tempel's Smorgasbord, Johnson Road at Terrace Lane.

The event is being presented by Welcome Wagon International and its sponsors to protect their services and products to the future wives in an attractive atmosphere at a single location, Mrs. Joanna Spencer and Mrs. Ruth Bischof, Welcome Wagon hostesses, explained.

Reservations for the party still are being accepted from brides-to-be, who are invited to call 876-5821.

Bridal attendants and mothers of the prospective bride and groom are expected to be among those viewing the displays and fashion show.

Creations to be shown by the fall and winter bride will capture the center stage spotlight at the affair. Gowns for the bride, her attendants and mothers of the bride couple will be

presented by Marilyn's House of Fashion, 1331 Nineteenth St. More than 30 models will be used in the fashion show segment. Mrs. Marilyn Lunsford, proprietor of the shop, advised.

The brides-elect also may inspect exhibits of silverware and China, bridal photographs and floral arrangements for her wedding day. The displays are being arranged by Charles's Flower Shop, Hudson Jewelers and Lazenby Photographers.

The occasion will afford the bride-to-be a glimpse into many aspects of pre-wedding planning and also provides Welcome Wagon sponsors a showcase to display their services, the hostesses said.

Refreshments will be served and special gift packages will be presented to each bride-elect attending the party, Mrs. Spencer said.

Serving as models for the bride and bridesmaid's gowns will be Rose Marie Boyd, Camille Bischof, Pam Kent, Lisa Bolton, Marcia Barron, Leslie Burnett, Bonnie Wilburth,

Glendola Adams, Lynette Lybarger, Judy Wilburth, Pat Mueller, Venus Derr, Lynette Pence, Mindy Henson, Marilyn Hartbarger, Gayle McFarland, Marlys Diak, Pat Wood, Marilyn Reed, Jeanette Lawell and Debbie Lewis.

Wearing gowns appropriate for the mother of a bride and groom will be Marian Wilburth, Pauline Pence, Toni Mueller, Helen Mangoff, Billie Schuler, Shirley Lybarger, Georgia Harlow, Barbara Dombrsky and Mildred Joyce. Terri Doty and Holly Brockmeyer will serve in the role of flower girls.

In addition to those mentioned, other Welcome Wagon sponsors in the local area include: Mrs. Sebott's Bake Shop, Granite City Trust & Savings Bank, Schermer Essen Hardware & Lumber, Metropolitan Life Insurance, Granite City Press-Record, Gamm's Factory Outlet Shoes, Branding's Mobil Service, Midtown Pharmacy and Tony's Restaurant.

MRS. ARTHUR H. LUEBBERT, the former Miss Jeanette R. McKinney, a daughter of Mr. and Mrs. Ellis McKinney, 1717 Moro Ave., and Arthur H. Luebbert, son of Mr. and Mrs. William Luebbert of Vienna, Mo., were united in marriage at 1 o'clock Saturday afternoon at the Visitation Catholic Church in Vienna, Mo.

Jeanette McKinney and A. H. Luebbert are wed

Miss Jeanette R. McKinney, a daughter of Mr. and Mrs. Ellis McKinney, 1717 Moro Ave., and Arthur H. Luebbert, son of Mr. and Mrs. William Luebbert of Vienna, Mo., were

united in marriage at 1 o'clock Saturday afternoon at the Visitation Catholic Church in Vienna, Mo.

Officiating at the double ring ceremony was the Rev. Joseph Starmann. Bouquets of multi-colored mums and gladioli adorned the altar and lighted tapers in aisle candelabra illuminated the sanctuary.

Mr. McKinney escorted his daughter down the white carpeted aisle and gave her in marriage. She wore a gown created by her mother fashioned of white bridal satin and re-embroidered Alenon lace.

Long lace sleeves gathered to deep cuffs and closed with tiny satin covered buttons were set in an Empire style bodice, featuring a low round neckline edged with a lace ruffle.

A wide decorative band of lace motifs was appliqued at the hemline, terminating at the back of the skirt in a narrow sequence of motifs.

She wore a camelot hat encrusted with seed pearls and interwoven with lace to secure her long mantilla veil lavishly

bordered with scalloped lace. Her bridal bouquet was an arrangement of white, yellow, pink and blue roses intermingled with baby breath and lily of the valley.

Miss Vicki Byrd presided at the organ for Glen Wieberg, soloist, as he sang, "We've Only Just Begun," "Look at the Two of Us," "Ave Maria," and "The Wedding Song."

Mrs. Robert Green, a sister of the bride was matron of honor. Miss Elizabeth Adams and Mrs. Jerome Luebbert, the groom's sister-in-law, served as bridesmaids.

They chose full-length gowns of pearl white fabric embellished with a rose fantasy design in the colors of yellow, pink and blue. Each attendant wore a frock in a different color.

The dresses were designed with high-rise waistslines, scoop necklines and short puffed sleeves. The skirts were A-line and a sash in shades to complement the dress encircled the waist, ending in a bow at the back with long streamers.

Each girl wore a white picture hat accented with ribbons to match her dress and carried a basket of yellow, pink, blue and white roses with sprigs of lily of the valley.

Tracy Green, a niece of the bride, was dressed in a frock similar in style to the bride's gown. She held a miniature version of the bridal bouquet.

Joey Luebbert, the groom's nephew, was the ringbearer.

Terry Copeland attended the groom as best man. Groomsman and ushers included Jimmie McKinney, twin brother of the bride, Frederick Luebbert, the groom's brother, Wayne James and Kenny Feiler, a cousin of the bride.

Mrs. McKinney selected a long pale pink gown designed with a sleeveless bodice and a scoop neckline. She wore white accessories and a corsage of white Sweetheart roses.

A reception for guests was given at the Knights of Columbus Hall in Argyle, Mo., immediately following the service.

After a wedding trip to Branson, Mo., the couple will reside in Vienna, Mo.

The groom is a 1967 graduate of Vienna High School and is employed by the Missouri-Pacific Railroad.

The SCHERMER BULLETIN...

You know, it's really amazing how many of you folks read this column. It's also amazing how many of you have had a good experience of Schermer's. Remember last week when we were telling you about the lady who looked her keys in her car and one of our clerks picked her lock? Well, the next day after the paper came out, another lady came in and said "Last week wasn't the first time you folks helped someone break into their car, the same thing happened to me about five years ago and one of your employees helped me then". Anyway, we're glad to be of service.

We are into the seventh week of our His N' Hers promotion. There are beautiful Family Circle Cookbooks for her and Do-It-Yourself Handyman Encyclopedias for him. Volume One sells for only 49 cents and Volume Two thru Sixteen are only \$1.69. It's not too late to start your set now, we still have all post and current volumes in stock and will have until the end of the promotion.

Also back in stock are the beautiful Peter's rugs, that were such a hit last winter. It took a while for Herman to find the salesman for a reader, but they are in stock now. These are soft, very absorbent rug on floor runners or door mats. They come in two sizes, 30" x 45" priced at \$1.99 or 30" x 60" priced at \$2.99. Hurry, the supply is limited.

MISS PATRICIA A. STOUT, whose parents, Mr. and Mrs. Dean Harrell, are announcing her engagement and plans for an August wedding to Charles J. Dittich III. The wedding will take place Aug. 24 at St. Elizabeth Catholic Church.

Dittich-Stout engagement told

Mr. and Mrs. Dean Harrell, 4221 Warnock Ave., are announcing the engagement of their daughter, Miss Patricia A. Stout, to Charles J. Dittich III, a son of Mr. and Mrs. Charles J. Dittich II, 1803 Bremen Ave.

The bride-elect is a graduate of Granite City High School and Joseph's School of Hair Fashions. She presently is employed at Busy Bee Beauty Salon.

Mr. Dittich is working at

Phebian Class aids church

The Phebian Bible Class of Central Baptist Church met last week in the home of Mrs. Stella Rushing, 2510 Nameoki Road, for its June meeting.

Mrs. Cora Crews, president, opened the program by leading the members in singing the class song. Mrs. Viola Jones presented the devotion, entitled "Love," with each person reading a scripture verse concerning the topic.

Poems were read by Mrs. Elizabeth Knight and Mrs. Crews, followed by reports given by Mrs. Bea Henry and Mrs. Gussie Hesaman.

Those attending voted a donation to the church building fund. Mrs. Mae Williams closed the meeting with prayer. Also present were Mrs. Pearl Kingsley and Mrs. Della Hubbs.

70 at Anchorage Club potluck

Mrs. Roxie Saffler offered the opening prayer at a potluck luncheon hosted by the Anchorage Senior Citizens Club last week. Dinner was served to 70 members and guests.

After the noon meal, a floral centerpiece used on the table was presented to Mrs. Lucy O'Neil.

Guests attending were Mrs. Gertrude Leary, Mrs. Elizabeth Stevens, Everett Moerlen and David Morgan.

Plans were made to hold a birthday party, business meeting and potluck dinner at noon, July 18, replacing the July 4 session.

CHEVE VALDEZ
Concert Performer

Christian music concert July 27

Gospel television and recording artist Cheve Valdez, who has traveled extensively in the United States, Central America and Mexico, will present a Christian musical concert at the Granite City High School gymnasium at 7:30 p.m., July 27.

Appearing on the show with the youthful Del Rio, Tex. entertainer will be young people from the Quad-City area who are interested in competing in a talent show.

Any young person with a vocal instrumental talent or any church youth group may participate in the contest, with the stipulation that selections exemplify the general principles of Christian music. Trophies will be awarded to the winners after the evening program.

Valdez was graduated from Del Rio, (Tex.) High School in 1967 and received two scholarships from Del Mar Junior College in Corpus Christi, Tex.

A talented pianist, he left college to travel professionally as an artist. He has recorded many Christian musical selections.

Tri-City park Tabernacle is sponsoring the event and the First Assembly of God Church is providing its Kolonia Center, where contestants will compete prior to the evening show.

Additional information may be obtained by calling 931-6500 or contacting Miss Lynette Kelley, 21 Eduardo Drive.

MR. AND MRS. DONALD MCCORMICK, whose wedding took place at Holy Rosary Catholic Church in Fairmont City. She is the former Miss Barbara Baker, a daughter of Mr. and Mrs. Bill Baker of Collinsville.

Couple exchanges vows at Holy Rosary Church

The wedding of Miss Barbara G. Baker, a daughter of Mr. and Mrs. Bill Baker, 29 Catharine Drive, Collinsville, and Donald R. McCormick, 102 Troeckler Lane, Mitchell, was solemnized at 6:30 p.m. June 9 at Holy Rosary Catholic Church in Fairmont City.

Mr. McCormick's parents, Mr. and Mrs. Eugene McCormick, reside at 1631 Third St. Madison.

Officiating at the early evening ceremony was the Rev. Timothy J. Foley.

For her wedding, the former Miss Baker chose a bridal gown

fashioned of white organza with appliques of Chantilly lace. Long sheer sleeves accented with lace motifs were set in a fitted bodice designed with a round neckline, edged with lace scallops.

She wore a cathedral-length veil banded with delicate lace, and she carried a cascade of white carnations and cactuses, festooned with rife and dark green ribbon streamers.

The attendants, Mrs. Jack Wettengreen, matron of honor and Miss Terri Wood, Miss Jane Giddings and Miss Elaine Oa kley, bridesmaids, were gowned alike.

They wore Empire style floor length gowns in a mile green fabric with double puffed sleeves enhanced with white satin ribbon. Matching ribbon encircled the high rise waistlines, terminating at the back with a bow and long streamers.

Each held a cascade of carnations tipped in green with white cactuses and pink button 'niums.

Lisa Baker, a sister of the bride, was the flower girl. She wore a white taffeta floor-

Pam James feted at bridal shower

Blue and white streamers and white wedding bells decorated the fellowship hall at Glenview Chapel Assembly of God Church for a bridal shower given last week in honor of Miss Pam James. Hostesses were Mrs. Faye Born and Mrs. Jo Graham.

A bride doll centered the buffet table and the gift table decorated with white ruffled umbrellas.

Games were played and prizes were awarded to Mesdames Dorothy Branz, Wilma McQuinn, Doris Bachteler and Edith Heidrich.

After the guest of honor opened her gifts refreshments were served to Mesdames Edith Heidrich, Wilma Childress, Madara Shaw, Ann Howard, Gerry Kelly, Dorothy Chase, Mildred Edwards, Lois Evans, Annette Parks, Ann Holton, Omie Farless, Louise Holton, Blanche Jones, Thelma Shaw and Misses Lisa Childress, Denise Parks and Bobby Parks.

Miss James will be married June 30 to Michael Carnahan at the Glenview Chapel Assembly of God Church.

Visit former GC residents

Mrs. Richard Brown and daughter, Jayne, 2807 G and Ave. and Mr. and Mrs. Edward Grisham, 1640 Clark Ave., returned last week from a visit of several days in Mammoth Spring, Ark.

The two families were house guests of Mrs. Brown's brother-in-law and sister, Mr. and Mrs. Lucas Sparks, who formerly resided in Granite City.

While away, Mr. and Mrs. Grisham also attended the 50th wedding anniversary celebration of former Granite Cityans, Mr. and Mrs. Shern J. Brady, held at the Holiday Inn in West Plains, Mo. The Brady's now reside in Willow Springs, Mo.

length frock made with long sleeves and she carried a basket of summer blossoms.

Jeffrey Lee served as the ringbearer.

The groom chose his brother, Ed McCormick, as best man. Groomsmen included Bill Morgan, Jack Wettengreen and Dave Grillon. Steve Kovar and Martin White, a cousin of the bride, seated the guests.

A reception was held immediately after the service at the American Legion Hall in Fairmont City.

The bride is a 1973 graduate of Collinsville High School. Her husband was graduated from Granite City High School and presently is employed at National Lead Co.

They are residing at 102 Troeckler Lane.

MRS. LAIRD MIDDLETON, the former Miss Ellen Elizabeth Pershall, a daughter of Mr. and Mrs. Samuel E. Pershall Jr., St. Louis, formerly of Granite City. She was married Saturday evening at Central Presbyterian Church in St. Louis.

Ellen Pershall becomes Mrs. Laird Middleton

Miss Ellen Elizabeth Pershall, a daughter of Mr. and Mrs. Samuel E. Pershall Jr., 12 Carraswood St., St. Louis, Mo., formerly of Granite City, and Laird McDonald Middleton of University City, Mo., repeated their marriage vows at 6:30 Saturday evening at Central Presbyterian Church in St. Louis.

Mr. Middleton's parents, Mr. and Mrs. Alan G. Middleton, reside in Maplewood, N. J.

The Rev. Dr. Donald Megahan officiated at the early evening ceremony before an altar banded with arrangements of white 'mums and greenery.

Joseph Holman, soloist, sang several wedding selections, accompanied at the organ by Mrs. Roy T. King, preceding the ceremony.

Guests were received by the newly married couple at a reception held at the Bellevue Country Club, St. Louis County, immediately following the service.

Escorted down the white carpeted aisle and given in marriage by her father, the bride wore an ivory point d'esprit gown designed with a high neckline and a modified Empire bodice, lavishly detailed with Alencon lace appliques. Wide satin ribbon marked the high rise waistline, and formed bands at the wrist to gather a deep lace ruffle over the hands.

Matching Alencon lace motifs accented the A-line style skirt and enhanced the long, slightly tapered sleeves.

She wore an ivory silk illusion veil, cathedral-length, secured to an Alencon lace cap and she held a cascade of white orchids and lily of the valley.

Matron of honor, Mrs. James (Sanhart), and the bridesmaids, Miss Alana and Amalia Middleton, both sisters of the groom, Miss Susan Klein and

Miss Eugenia McKee, were gowned alike in full-length dresses of pink floral organza.

Each attendant carried a bouquet of pink roses and baby breath.

The groom chose Richard Toel to serve as his best man. Richard Pershall, James Muelhausen, Keith Vines and Philip Collins completed the corps of groomsmen and ushers.

After a wedding trip to the Bahama Islands, the newlyweds will reside in St. Louis County.

The former Miss Pershall attended the University of Miami and the University of Missouri, graduating with a B.S. degree in education. She was a member of Kappa Kappa Gamma Sorority.

Mr. Middleton was graduated from the University of Miami, where he was a member of Sigma Chi Fraternity. He presently is employed in the advertising department of Tri-City Grocery Co.

Games were played during the afternoon, with each member receiving a prize.

Ballroom dance class opens July 12 at 'Y'

The adult ballroom dance class of the YMCA will start its summer session on Thursday, July 12.

The class will meet from 8 to 10 p.m. Thursdays for six weeks, ending Aug. 16, in the air-conditioned auditorium of the 'Y'.

Ray Jones, instructor, said "The class primarily is for beginners but an intermediate group would start if enough response is shown." Students in the spring class asked for emphasis on the polka, he said.

The new quick step will be introduced, and the course will include the fox trot, rumba, cha cha and waltz.

An annual participating membership of \$5 for teenagers, \$10 for adults or \$15 for families is a requirement before registration, Jones said. Class fees are \$7.50 for singles and \$12.50 for couples. Details may be obtained by phoning the YMCA program office.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards: We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of: ordinary wear, under-inflation, over-inflation and running flat.
2. Tread Life Guarantee Against Defects: We guarantee the Grantmaster tires against all defects of material and workmanship, for the life of the tread.
3. Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you a proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.
4. Guaranteed Against Tread Wear: The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular selling price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire:

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
